DESCRIPTION

Maruyama grass trimmers make a difficult task easy and manageable. Ideal for trimming along fences, house foundations and corners, around shrubs, trees, flower beds, patio furniture and for maintaining everyday professional and homeowner landscaping. Their high manageability is thanks to their lightweight and high torque cutting power, yet they are built with the rugged features of a professional machine.

Maruyama Curved Shaft String Trimmer has a powerful 22.5 cc engine that helps make tough trimming jobs easier. Ideal for trimming around flower beds and narrow spaces hard to reach by regular straight shaft trimmers.

More power, durability, and engineering than ever before!
