DESCRIPTION

Maruyama grass trimmers make a difficult task easy and manageable. Ideal for trimming along fences, house foundations and corners, around shrubs, trees, flower beds, patio furniture and for maintaining everyday professional and homeowner landscaping. Their high manageability is thanks to their lightweight and high torque cutting power, yet they are built with the rugged features of a professional machine.

The Maruyama B230L straight shaft trimmer comes equipped with the power, comfort and quality Maruyama stands for. This lightweight easy to use trimmer is a perfect addition to any fleet.

More power, durability, and engineering than ever before!
