DESCRIPTION

Maruyama grass trimmers make a difficult task easy and manageable. Ideal for trimming along fences, house foundations and corners, around shrubs, trees, flower beds, patio furniture and for maintaining everyday professional and homeowner landscaping. Their high manageability is thanks to their lightweight and high torque cutting power, yet they are built with the rugged features of a professional machine.

The Maruyama B300L Loop Trimmer brings more power to the pros. Equipped with the CER300 engine and loop handle this unit gives you the power you need with comfort for the user in mind.

More power, durability, and engineering than ever before!
