DESCRIPTION

Maruyama grass trimmers make a difficult task easy and manageable. Ideal for trimming along fences, house foundations and corners, around shrubs, trees, flower beds, patio furniture and for maintaining everyday professional and homeowner landscaping. Their high manageability is thanks to their lightweight and high torque cutting power, yet they are built with the rugged features of a professional machine.

The Maruyama B420L Trimmer offers more power, durability, and ease of use than ever before. This unit is equipped with loop handle and anti-vibration system with end user comfort in mind. The easy start system will have you up and running in no time.

More power, durability, and engineering than ever before!
